SAFETY BY CABERG SINCE 1974

CABERG Srl produce e distribuisce i caschi CABERG®, marchio che da 35 anni è sinonimo di qualità e innovazione tecnica per i motociclisti d'Europa. Caberg è stata la prima azienda italiana, e seconda a livello mondiale, ad introdurre sul mercato il casco apribile, credendo fortemente nel potenziale di crescita del mercato Touring. Nel corso degli anni, il punto di forza di Caberg è stato concepire caschi intelligenti, combinando estetica e funzionalità.

La sede dell'azienda si trova in una moderna struttura industriale dove si concentrano gli uffici commerciali, amministrativi, i reparti produttivi e il laboratorio Certificato, il quale garantisce il soddisfacimento dei test di conformità richiesti dalle varie normative per offrire prodotti personalizzati per la massima sicurezza e un elevato comfort del motociclista. La produzione viene costantemente monitorata attraverso una procedura di controllo qualità molto severa.

La rete commerciale raggiunge la maggior parte del mercato europeo ed è presente in molti paesi extra UE come Israele, Russia, Mexico, Sud America, Hong Kong, Malesia, Turchia e Marocco.

Caberg è fiera di annunciare che 4 modelli top di gamma hanno ottenuto un punteggio eccellente (due modelli hanno ricevuto 5 stelle su 5 e due modelli 4 su 5) al test di sicurezza SHARP eseguito dal Dipartimento dei Trasporti del Regno Unito.

CABERG Srl manufactures and distributes CABERG® helmets, from more than 35 years a synonym of quality and technical innovation.

Caberg has been the first Italian company to introduce a flip up helmet (system helmet) on the market, and the second one worldwide, mainly believing on the great growth potential of the touring market. During the years, the strength point of Caberg it has been focusing on smart helmets by combining look with functionality.

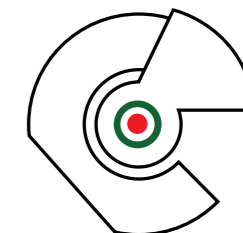

Care of our premises, located in a modern building, are concentrated the management, the production department and a test laboratory, which guarantees successful conformity tests required by the law, so that the products will offer the highest safety and top comfort to the motorcyclist. The production is constantly checked through a severe quality test process.

The commercial network reaches most of the European markets and is present in various non-European countries such as Israel, Russia, Mexico, South America, Hong Kong, Taiwan, Indonesia, Malaysia, Turkey, and Morocco.

Caberg is proud to announce that four of its top of the range models have been awarded with an excellent score (two helmets received 5 stars out of 5 and two helmets 4 stars out of 5) by the SHARP safety test done by the U.K. Department of Transport.

⚠ WARNING

Caberg helmets are not homologated for use in the United States of America and Canada. These helmets have been homologated according to the European Standard requirement ECE 22.05; therefore the use is allowed only in the countries/nations where the homologation standard ECE/ONU 22.05 is in force.
